**Terms and Conditions**

I am adopting the cat(s) listed here as my permanent family pet(s). I agree to provide yearly veterinary exams; vaccinations and necessary veterinary care for the life of the cat. In addition, **I agree to not declaw the cat(s).**

If, for any reason during the cat's lifetime, I can no longer properly care for it or provide a quality permanent home,

**I agree to contact Forever Pets:** (1) for assistance in placing the cat in another appropriate home or (2) to return the cat directly to **Forever Pets.**

I understand that the cat/kitten I am adopting has been rescued. It may have come to Forever Pets from one of the local area Animal Control facilities, a former owner may have given it up, or perhaps it was abandoned or strayed. While in Forever Pets care, the cat/kitten has had appropriate medical care as needed. There is, however, a chance that my new cat/kitten could have been exposed to a virus, such as upper respiratory infection, while on its way to being rescued and adopted. I agree to be financially responsible for veterinary costs, if any, associated with continuing care. I agree to obey all local laws regarding pet ownership, including care, feeding, sheltering and licensing.

**I am at least 18 years of age and can provide verifiable identification. I have read and agree to the above listed terms.**
